

## **APPLYING TO VACMA? MAKE SURE YOU:**

### **UPDATE YOUR CV**

ensure it is a professional artist/maker CV  
and take out anything that isn't relevant

### **HAVE GOOD PHOTOGRAPHS**

of your work – particularly recent work – and  
carefully select images to back up your application

### **LABEL YOUR SUPPORTING MATERIAL**

and include an image list with dates and sizes

### **CHECK THAT YOU ARE ACCURATE**

does your budget request match what you've  
described in the application?

### **ASK A FRIEND**

to check your application – is it easy to understand  
what you do and is it clear what support you're  
looking for? Ask someone who doesn't know your  
practice to check over what you've written
