SHETLAND ARTS DEVELOPMENT AGENCY

CHAIRPERSON'S MESSAGE

31 MARCH 2017

My second year as chair of Shetland Arts Development Agency has been focussed on giving the organisation a sense of stability after the necessary changes of the previous year and to ensure that we continue to prioritise our fiscal, social and artistic responsibilities.

During the year we entertained over 200,000 audience members who engaged with over 4,500 concerts, performances, screenings and exhibition days. Highlights included Shetlander Neil Georgeson's first classical performance in Mareel since the opening season, an exhibition and talk by leading Scots artist Toby Paterson, and *Know Your Art From Your Elbow*, an entertaining and educating series of workshops looking at the 2016 Turner Prize nominations. The Pelagic Sculpture project has come to fruition with the installation of Jo Chapman's *Da Lightsome Buoy* on Lerwick's harbour side and my thanks go out to the commissioning partnership of LHD, Lerwick Port Authority, Shetland Catch and Shetland Fish Producers' Organisation. Another success for the year was the presentation of Martin Greens *Flit* which concluded its UK tour by wowing audiences in Shetland with its take on the importance of migration.

We have continued to develop our formal and informal education strands. September saw the first students enrol on the BA in Film Making which we have developed with partners across the UHI network. We also received another positive report from the Quality Standards Authority for our delivery of the film and music vocational pathways to under 14's. During the summer we built upon the success of our ever-popular Stage 1 drama workshops by offering some week-long opportunities for young people. The Summer Dance Intensive gave young people an opportunity to work with Kathryn Spence on devising a contemporary dance performance and the Creativity Camp allowed our younger participants to engage in a variety of different creative opportunities.

We have continued to work with a range of partners including Highlands and Islands Enterprise, the Centre for Rural Creativity and Shetland Islands Council to explore how best to support Shetland's Creative Industries and we have high hopes for the independent forum that is developing out of this work.

Our three festivals performed well in the year with new curators taking over at the helm of Fiddle Frenzy, whilst Wordplay made a welcome return to the festival schedule. Screenplay celebrated its 10th anniversary and hosted a wide variety of guests including producer Ian Softley, director Kim Longinotto and musician Richard Hawley.

I am pleased to be able to report that we have made another small surplus this year, building upon last year's financial stability and my thanks go out to the whole staff team for their hard work and dedication.

We were saddened by the sudden death of former chair and serving trustee Danus Skene and our thoughts are with his family. I would like to take this opportunity to thank my fellow Trustees for their continued hard work and commitment to Shetland Arts. I would also like to thank our funders Shetland Charitable Trust and Creative Scotland for their continued investment in the organisation.

I am confident that the staff and Trustees are well placed to face the challenges ahead as we continue to deliver on our purpose in the face of an ever-tightening financial situation.

Introduction

In this financial year Shetland Arts continued to deliver a wide range of work throughout the community, collaborating with and supporting artists, audiences and a range of different groups and organisations. This included the delivery of both formal and informal educational opportunities, artist residencies, exhibitions, festivals and a programme of music, cinema and other events at Mareel.

We employ a robust process of evaluation for each element of every project we deliver. Every activity is submitted to the Programming Group on a Project Proposal Form (PPF) that contains a narrative statement and describes how the project relates to our Trust Deed, which programme area it is part of, which art forms it relates to and whether the work is contemporary, populist or traditional. This form also sets the Key Performance Indicators (KPIs) and the budget.

SHETLAND ARTS DEVELOPMENT AGENCY

ANNUAL REPORT OF THE TRUSTEES

31 MARCH 2017

All elements of the activity are considered, particularly how the outcomes will deliver our overall objectives for the year. The Programming Group sets key milestones and receives regular updates, with monitoring requirements being dictated by the scale of the project. Once an activity is completed, the PPF is reviewed against actuals and lessons are learned where appropriate.

Project Managers collate monthly Key Performance Indicators (KPIs) for each active project and each quarter a report is produced which includes KPIs, a narrative for each Priority Area and two or three Case Studies which highlight particular projects. These reports are submitted to Shetland Charitable Trust, circulated to Shetland Arts Trustees and made available on Shetland Arts website.

Three-Year Programme - Priority Areas

In 2015 Shetland Arts committed to a three-year programme of activity building on nine years of quality arts programming to provide opportunities for people of all ages to access enjoyable creative experiences as participants and as audience, across a wide range of art forms. Up to 2014/15 SADA has focussed activity and reporting under artform-specific criteria. From 2015/16 onwards activity and reporting is under six Priority Areas of Activity, identified for 2015-18 as:

1. Youth Arts

This includes the work we do with Shetland Youth Theatre and the support of groups such as Maddrim Media and the Shetland Young Promoters Group. It includes innovative projects designed to increase the engagement of young people in the arts and exchange programmes with organisations outwith Shetland, encouraging Shetland's youth to engage with and help shape cultural events in Shetland.

2. Education & Learning

We are committed to the delivery of a programme of activities aimed at skills development for creative industries practitioners as well as classes and workshops aimed at increasing accessibility and participation in creative activities. The Gallery Education Programme works with schools to encourage access to and engagement with our exhibition programme. We also facilitate peer review and support by and for practitioners at all levels of participation and a range of formal learning opportunities in partnership with Shetland College UHI, from secondary school level through to masters level.

3. Arts & Wellbeing

We will continue to advocate and support the provision of arts and cultural activities for older people in care settings and people in supported living programmes, delivered by local and national arts professionals. We also work in partnership with space2face, the restorative justice and arts programme.

4. Development & Support

The support of individuals and groups is integral to our work and includes arts practitioners and creative industries micro-businesses, audience development and our formal and informal education work. It also includes staff and volunteer development.

5. Programme, Commissioning & Curation

This includes the programming of our cinema, gallery, exhibition spaces, theatre and auditorium; Screenplay and Wordplay, our highly successful book and film festivals; and Fiddle Frenzy. We also develop creative residencies in partnership with local and national bodies and extend our regional, national and international reach through the development of a variety of events.

6. Broadcast, Recording & Intellectual Property

We maximise Mareel's digital production facilities (principally for music and video recording) to provide opportunities for musicians and producers to generate revenue and Intellectual Property.

Audience Attendances	160,000	205,858	128.7
Development Sessions	1,300	1,929	148.4
Participations	9,000	19,220	213.6

* Targets as set in 2014

The delivery of KPIs beyond the targets predicted for Concerts, Screenings and Exhibition Days and the resultant Audience Attendances can largely be attributed to a new exhibition space coming into use in the upstairs foyer of Mareel in Q4 of 2015/16 and a new Curated Retail initiative beginning to produce KPIs in Q4 of 2016/17.

Note: because many of our exhibition spaces are ambient and unticketed and therefore do not directly produce attendance and engagement data, we have been using divisors based on the attendance at other events in the same building which do produce attendance data (i.e. dividing the number of covers at the Bonhoga Café and number of tickets sold at events in Mareel by a percentage). Throughout 2017/18 we will be undertaking visitor research to test whether these divisors are accurate.

A significant contribution to the over delivery of Development Sessions and Participations was the introduction of two new formal education courses in film (NC Creative Industries: Film and BA Contemporary Film Making in the Highlands and Islands).

Other significant contributing projects include the Wellbeing Choir (launched in 2016) and Shetland Arts participation in the *We're Here Because We're Here* project.

The level of over delivery highlighted above is under review and will likely decrease to be more in line with targets as a result of the impact of Shetland Charitable Trust funding cuts over the coming three years.

SHETLAND ARTS DEVELOPMENT AGENCY

ANNUAL REPORT OF THE TRUSTEES

31 MARCH 2017

Priority Area 1: Youth Arts

Highlights included:

- In August 2016, eight members of the **Shetland Young Promoters Group (SYPG)** sailed on the Swan to Norway to take part in a four-day cultural exchange between the Shetland Isles and the Sund Kommune. Kari-Anne Landro (Sund Mayor) noted, "The bondings between Shetland and Sund Kommune are strong. [The musicians] showed us variation, high quality and passion for music."
- In March **SYPG** staged their annual Battle of the Bands competition. The alcohol-free youth event featured six young bands competing to be crowned winners of the competition, with the winning band Sidewinder receiving a day in the Mareel Recording Studio as a prize.
- There were two six-week blocks of **Stage 1 Drama** sessions for 7-11 year olds over the autumn and winter months, each culminating in a short performances for family and friends. The sessions, in which young people devised and rehearsed stories based on a theme (Aliens and Selkies), were led by John Haswell who also provided mentorship to volunteers who helped deliver the sessions.
- Our **Summer Dance Intensive** this year featured two week-long courses of dance with Shetland-born choreographer Kathryn Spence. The first week was with five 15-26 year olds and the second week with five 11-14 year olds. During the week participants learned many contemporary dance techniques and used these skills to create two original dance pieces. One was filmed and the participants edited together a short dance video, and the other was performed at the Just Dance showcase in July.
- **Shetland Youth Theatre** devised and performed a new piece, *In the Still of the Night Have We Wept*, devised by the young people and centred around the poetry of the First World War. Led by John Haswell, the cast created an emotional, nuanced and innovative response to imagery, artifacts, documents and poems from the most cataclysmic war the world has ever experienced. The show toured Shetland in May, with performances in Baltasound Hall, Walls Hall, and the Garrison Theatre in Lerwick.
- **Creativity Camp** was an arts-filled week in summer with drama, dance, music, literature, film, visual art and crafts activities facilitated by local freelance artists. The week culminated with 15 children aged between 7-11 performing a 25-minute show to an enthusiastic audience of family and friends.
- In the run-up to the Christmas holidays, we held a series of **Christmas Craft Workshops** in which young people had the opportunity to create their own Christmas trees and decorations.
- Visual theatre show *Fisk* was a huge success in February, and Shetland Arts partnered with several groups to organise workshops with the performers.

ANNUAL REPORT OF THE TRUSTEES

31 MARCH 2017

- In March the Shetland College Vocational Pathways courses participated in a Scottish Qualifications Authority (SQA) External Verification. The final report highlighted numerous examples of best practice and excellence in the “*uniquely developed, contextualised and integrated curriculum*”. The SQA inspector summarised: “*As the Centre is key to the development of creative industry skillsets which will benefit the local economy, it was recommended that it continues to encourage progression routes with local schools. All of the above indicates the future potential for Mareel/UHI as a Centre of Excellence for Creative Industries education.*”
- The first quarter of the year featured the culmination of the pilot year of the **Bonhoga Education Programme**. The project, entitled **The Art World**, involved circa 300 pupils aged 5-16 from five schools in Shetland: Sandwick Junior High School, Aith Junior High School, Fetlar Primary School, Baltasound Junior High School and Whalsay School. The final exhibition was brought together at Bonhoga by lead artist Amy Gear (who returned to Shetland after completing her Masters at Royal College of Art in London in 2015). All the young participants visited the show in Bonhoga and took part in a final workshop.
- The next phase of the **Bonhoga Education Programme** continued after the successful review by Creative Scotland and funders Children & the Arts. Amy Gear continued to lead the project with the new theme of **THE FUTURE**. This schedule began in August with a visit from Travelling Gallery, the Edinburgh-based art gallery in a bus, which travelled to each of the target schools with the New Media Scotland exhibition *Blush Response*. Amy accompanied the bus to each school and worked with the 300 pupils to engage with the work’s themes. A six-week block of additional sessions was developed in Sandwick Junior High School to engage with a small group of primary pupils as a trailblazer to this year’s project, to stimulate involvement with the school, resulting in a successful small installation by the children in the school in October.
- As part of the **Bonhoga Education Programme**, five teachers and ten student ambassadors from the participating secondary schools were able to attend the performance of *Flit* at Mareel on 2nd November. This cross-artform performance explored themes of home and the movement of peoples, providing a platform for schools to engage with this year’s education programme work.
- During Q4 all the participating pupils from each of the five schools in the **Bonhoga Education Programme** visited the gallery. Each group came to see either the Vivian Ross-Smith or Toby Paterson exhibitions and engaged in a gallery workshop, and also took part in a practical workshop with Amy Gear and JJ Jamieson, creating work for the upcoming exhibition, **THE FUTURE**. Amy led these practical sessions, exploring the idea of life in Shetland 300 years from now. Jane Matthews (Exhibition Manager) and artist Vivian Ross-Smith led workshops in the gallery, introducing each group to the exhibiting artist’s work and encouraging discussion and thinking. A blog has been created to publicise the project and provide a platform for schools to interact with the programme as it heads into the next phase.
- Artists exhibiting in Bonhoga, **Vivian Ross-Smith** and **Toby Paterson**, gave talks to coincide with their shows. Vivian gave an informal talk in the gallery and Toby presented an evening event at Mareel. Both were also featured in online interpretive material.
- To coincide with the exhibition *Elemental* at Bonhoga, artist **Peter Davis** delivered an inspiring gallery talk about his work with tips and techniques. He also led a half-day experimental watercolour workshop in Mareel for adults and a morning workshop in the gallery for children. Both were fully booked, lively and inspiring.

Change Management

The period 2016/17 has been focussed on embedding and reviewing the changes undertaken during the previous year. FINANCIAL REVIEW

In 2016 the organisation was successful in generating an operating surplus and this year has focussed on ensuring this was not a one-off occurrence. The majority of supplier contracts held by the organisation have been reviewed to ensure we are receiving value for money. There was also continued focus on ensuring budgets were being followed.

The above helped the turnaround for the year which gives a surplus on the Unrestricted Funds of £13,054 (2016 - £18,180) for the year. This surplus of £13,054 in Unrestricted Funds comes after the deduction of depreciation in the year of £666,219. This depreciation is partly offset by a transfer made from the Restricted Capital Fund to Unrestricted Funds of £637,643. This transfer is done to recognise the fact that capital grants received in this year and during earlier financial periods should be amortised over the same useful lifetime as the assets to which they relate.

The Total Incoming Resources for the year were £2,512,081 (2016 - £2,507,870) made up as follows:

	2017 £	2017 %	2016 £	2016 %
Revenue grants received	1,030,972	41.0%	1,057,783	42.1%
Capital grants received	11,715	0.5%	-	-
Self-generated income	1,439,977	57.3%	1,416,728	56.5%
Donations and sponsorship	29,417	1.2%	33,359	1.4%
TOTAL	2,512,081	100%	2,507,870	100%

We received annual revenue funding of £694,878 from Shetland Charitable Trust (SCT) and £250,000 from Creative Scotland (CS) during the year.

Project funding was received from various funders, including Creative Scotland, Shetland Islands Council and Highlands and Islands Enterprise. This funding, combined with the use of our revenue funding and generated income has allowed the range of arts activity described under "Activities, Achievements and Performance" to take place during the year.

Total Resources Expended was £3,124,955 (2016 - £3,123,902) made up as follows:

	2017 £	2017 %	2016 £	2016 %
Stock and goods purchases	316,317	10.1%	311,760	10.0%
Charitable activities	2,808,638	89.9%	2,812,142	90.0%
TOTAL	3,124,955	100%	3,123,902	100%

Grants were given out by Shetland Arts in the year of £6,495 (2016 - £22,505). These are contained in the Charitable Activities line above and further details of the grant scheme are contained in note 7b.

All staff costs are included in charitable activities above and have increased from £1,179,179 in 2016 to £1,188,382 in 2017.

Shetland Arts is an approved member of the Shetland Islands Council Pension Scheme. The updated actuarial valuation of the pension scheme as at 31 March 2017 resulted in an increase of £739,000 in the Shetland Arts pension scheme liability, which is shown in the Statement of Financial Activities, decreasing the pension scheme liability in the Shetland Arts balance sheet to a total of £1,663,000.

ANNUAL REPORT OF THE TRUSTEES

The unrestricted fund is therefore in deficit. As explained above this fund is affected by the adjustment for our Pension Liability. The pension fund deficit is under constant review and appropriate advice from the fund managers on levels of future contributions will be actioned as required. The Trustees expect to see an improvement in coming years based on advice received.

RESERVES POLICY

In April 2016 the Trustees approved a new reserves policy. SADA is working towards securing adequate reserves to meet current and potential future needs. The organisation aims to have unrestricted reserves of at least £200,000. This will allow the organisation to meet any unexpected expenditure that may arise. Within this reserve, funds will be designated to an Asset Replacement and Repair Reserve. In any year the organisation makes a surplus, 50% of this surplus will be designated into this fund. The fund will be used for the replacement and repair of the assets of the organisation.

Total funds as at 31 March 2017 are £9,590,483 (2016 - £10,942,357). This is split between Restricted Funds of £11,481,038 (2016 - £12,106,966) and Unrestricted Funds in a deficit position of £1,890,555 (2016 – deficit of £1,164,609). The funds in a deficit position are discussed in the financial review on pages 11 – 12.

PLANS FOR THE FUTURE

There are four key areas for development over the coming years:

- a significant increase in remote and rural touring from 23 events in 2015/16 to 183 in 2018/19
- a new focus for Weisdale Mill as a leading craft centre in Scotland
- the launch of a mixed-media electronic arts strand of programming
- developing new ways of engaging with visiting artists, performers and creatives

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document and organisation

Shetland Arts Development Agency is an unincorporated Registered Scottish Charity, constituted under a trust deed. The organisation is governed by a Board of Trustees who are responsible for long-term planning and strategic decision-making, delegating the day-to-day operational decision making to the General Manager.

Appointment of Trustees, their induction and training

The Trustees meet bi-monthly to administer the activities of the Agency. During the year the Trust Deed required the board to be comprised of a minimum of ten Trustees, and a maximum of thirteen. Each Trustee shall hold office for a period of three years with power to be re-appointed for a further period of three years. Trustees will retire on the third anniversary of their appointment. In the event of appointment for that further period, such Trustees will not be eligible for appointment for a period of three years thereafter. The appointment of new Trustees will be the job of a Nominations Committee constituted by three of the serving Trustees. Trustees are normally recruited following public advertisement. The positions of Chair and Vice Chair are voted on by the existing Trustees, and these office holders serve in accordance with the Agency's Standing Orders.

At the board meeting on 27 April 2017 the Trustees approved an amendment to the Trust Deed which reduced the minimum number of Trustees to seven. The Trustees make decisions by majority vote at their meetings. The board holds meetings every two months with a more detailed information session on specific topics of interest in the months between. Trustee recruitment took place during the year, which resulted in Lynn-Sayers McHattie and Louise Garriock being appointed in April 2017. New Trustees receive an individual induction from the General Manager on appointment and are encouraged to undertake training as appropriate to their role.

Pay policy for senior staff

The Trustees consider that the charity's Trustees and Senior Management Team comprise the key management personnel of the charity in charge of direction and controlling, running and operating the charity on a day-to-day basis. The Senior Management Team comprises the General Manager, Head of Creative Opportunities, Head of Production and the Finance Manager. All Trustees give their time freely and no trustee received remuneration in the year. Details of trustee's' expenses are disclosed in note 18 of the accounts.

The pay of the senior staff is reviewed annually. The pay rates are benchmarked against third sector averages in Shetland. The pay of the General Manager is set by the Trustees.

Related parties

Shetland Arts Development Agency is funded by the Shetland Charitable Trust to deliver arts services to the community in line with the Shetland Cultural Strategy's three themes of Access: Participation and Potential; Creativity and Heritage; and Learning, Economy and Regeneration.

Shetland Arts Development Agency also receives revenue funding from Creative Scotland, dependent upon its submission to them of an annual programme of activities. This programme must meet Creative Scotland's own objectives, which are to support excellence in artistic and creative practice, to improve access to, and participation in arts and creative activity, and to develop and sustain a thriving environment for the arts, screen and creative industries.

Shetland Arts IP C.I.C., a Community Interest Company, was incorporated on 25 July 2011. The Company is wholly owned by Shetland Arts Development Agency and was set up as a means to secure the Intellectual Property rights over films, books, music, etc and ensure that any profits generated in this way can be retained for the good of Shetland. During the financial year, the company's transactions were not material to the group, so consolidation of the figures was not required.

Risk Management

The Trustees have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate our exposure to the major risks. The table below highlights the risks the board have identified as being the most significant.

Risk Title	Risk Detail	Mitigation
Funding	Our grant from Shetland Charitable Trust is agreed until 2020 and decreases by 5% per year from 2016-20. Creative Scotland are under increasing pressure from Scottish Government cuts and there may be an adjustment to the indicated level of funding 2017/18. We also expect the next three-year funding round from 2018-21 to be very competitive.	Ensure the organisation maintains good relationships with funders through open high-level communication, including chair-to-chair discussions. Consistent review of KPIs against targets to ensure delivery in line with expectations by Senior Management Team and Board. Early warning of any pertinent issues by General Manager to Trustees.
Commercial Income	Commercial income is always volatile and the changing nature of the economic situation in Shetland is cause for concern. SADA reliance on successful cinema, food and beverage takings is particularly vulnerable to any downturn to consumer spending.	Establishment of a finance sub committee of Trustees to support the General Manager and Finance Manager in their roles. Greater devolution of budgets to responsible managers to ensure better cost control. Phased planned expenditure that can be re-budgeted should commercial income fail to perform.
Reputation	SADA is coming out of a period of unpopularity around the construction of Mareel, and the necessary organisational restructure has received criticism from some quarters. The decisions that need to be made regarding SADA's ongoing management and ownership of various buildings in its estates portfolio are also a potential reputational risk.	Ensure future ambitions are clearly communicated and 'owned' by the whole organisation. Communication will always be carried out in an open and honest way. The Trustees will properly scrutinise all recommendations from the General Manager.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for preparing the Trustees' Annual Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in Scotland requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- Observe the methods and principles in the Charities SORP 2015 (FRS 102);
- Make judgements and estimates that are reasonable and prudent;
- State whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities and Trustee Investment (Scotland) Act 2005, the Charities Accounts (Scotland) Regulations 2006 (as amended) and the provisions of the charity's constitution.

They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The Trustees are responsible for the maintenance and integrity of the charity and financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of the financial statements might differ from legislation in other jurisdictions.

AUDITOR

The A9 Partnership Limited were re-appointed as the charity's auditor during the year and have expressed their willingness to continue in that capacity.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES

31 MARCH 2017

We have audited the financial statements of Shetland Arts Development Agency for the year ended 31 March 2017 which comprise the Statement of Financial Activities, the Balance Sheet, the Cash Flow Statement and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including FRS 102 "The Financial Reporting Standard applicable in the UK and the Republic of Ireland.

This report is made solely to the charity's trustees, as a body, in accordance with section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 10 of the Charities Accounts (Scotland) Regulations 2006 (as amended). Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of trustees and auditor

As explained more fully in the Trustees' Responsibilities statement set out on page 15, the trustees are responsible for the preparation of financial statements which give a true and fair view.

We have been appointed auditor under section 44(1)(c) of the Charities and Trustee Investment (Scotland) Act 2005 and report in accordance with regulations made under that Act. Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charity's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Chairman's Message and the Annual Report of the Trustees to identify material inconsistencies with the audited financial statements and to identify any information that is apparently materially incorrect based on, or materially inconsistent with, the knowledge acquired by us in the course of performing the audit. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

Opinion on financial statements

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2017, and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities and Trustee Investment (Scotland) Act 2005 and regulation 8 of the Charities Accounts (Scotland) Regulations 2006 (as amended).

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 March 2017

1. PRINCIPAL ACCOUNTING POLICIES

Basis of Accounting

The accounts are prepared under the historical cost convention, with the exception of pianos which are included at market value and the Weisdale Mill which is included at deemed cost, and include the results of the charity's operations which are described in the Trustees' Report and all of which are continuing.

In preparing the financial statements the charity follows best practice as laid down in the Accounting and Reporting by Charities: Statement of Recommended Practice, applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS102) (effective 1 January 2015) (the SORP), the Charities and Trustee Investment (Scotland) Act 2005, and the Charities Accounts (Scotland) Regulations 2006 (as amended) except as noted below.

Shetland Arts Development Agency meets the definition of a public benefit entity under FRS102. The financial statements have been prepared in compliance with FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note(s).

The functional currency of Shetland Arts Development Agency is considered to be pounds sterling because that is the currency of the primary economic environment in which the charity operates.

Consolidation

The financial statements have been prepared for Shetland Arts Development Agency as an entity and in accordance with the SORP module 24, group accounts have not been prepared on the basis that there is no statutory requirement to prepare group accounts as the results of the subsidiary undertaking is not material to the group.

Critical Accounting Estimates and Areas of Judgement

The charity makes estimates and assumptions concerning the future. The charity has not identified any estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

Going Concern

The charity is dependent on funding however no material uncertainties that may cast significant doubt about the ability of the charity to continue as a going concern have been identified by the Trustees. As a result they have adopted the going concern basis of accounting.

Income

Income is included in the Statement of Financial Activities when the charity has entitlement to the funds, any performance conditions attached to the grants have been met, it is probable that the income will be received and the amount can be measured reliably and is not deferred. The following policies are applied to particular categories of income:

Donations, legacies and similar incoming resources are included in the year in which they are receivable, which is when the charity becomes entitled to the resource.

Capital Grants

Capital grants are taken into account when they become receivable.

Revenue Grants

Revenue grants are taken into account when they become receivable.

The value of volunteer help received is not included in the accounts but is described in the Trustees' Annual Report.

SHETLAND ARTS DEVELOPMENT AGENCY

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 March 2017

1. PRINCIPAL ACCOUNTING POLICIES (continued)

Expenditure

All expenditure is accounted for on an accruals basis and is recognised when there is a legal or constructive obligation to pay for expenditure. It is probable that settlement will be required and the amount of the obligation can be measured reliably. All costs have been directly attributed to one of the functional categories of resources expended in the Statement of Financial Activities.

Support Costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include staff salaries, overheads and governance costs which support the charity's activities.

All costs are allocated between the expenditure categories of the SoFA on a basis designed to reflect the use of the resource.

Termination Benefits

Termination benefits are payable when employment is terminated by the charity before the normal retirement date, or whenever an employee accepts voluntary redundancy. Such benefits are recognised when the charity is demonstrably committed to terminating the employment without withdrawal or when an offer of voluntary redundancy is accepted.

Operating Lease Agreements

Rentals applicable to operating leases where substantially all of the benefits and risks of ownership remain with the lessor are accounted for in the Statement of Financial Activities within resources expended on a straight line basis over the period of the lease, with the exception of the rent payable to the Shetland Islands Council under the sub-lease of Mareel, which is netted off against rent receivable from the Shetland Islands Council under the head-lease, as explained in note 21.

Tangible Fixed Assets

No single equipment purchase with a cost below £500 (2015 - £2,000) is to be capitalised. Any item of equipment costing more than £500 is initially stated at cost.

Paintings are not depreciated as they are considered to have a useful life of greater than 50 years and therefore any depreciation is considered immaterial. The Trustees consider that this departure from United Kingdom Generally Accepted Accounting Practice (UK GAAP) is necessary in order to provide a true and fair view.

The pianos were re-valued on 31 March 2011. The valuations were based on a review of second-hand piano sellers' websites and were carried out by Sheila Duncan, who was an internal employee of Shetland Arts Development Agency and is not a qualified valuer.

Depreciation is provided on all other tangible fixed assets at rates calculated to write off the cost or valuation, less estimated residual value, of each asset evenly over its expected useful life. The estimated useful lifetime of assets was calculated as;

Heritable Property – Weisdale Mill – 50 years
Heritable Property – Mareel building – 24 years
Plant and Equipment – 5 to 10 years
Computer equipment – 3 years

Residual value represents the estimated amount which would currently be obtained from disposal of an asset, after deducting estimated costs of disposal, if the asset were already of an age and in the condition expected at the end of its useful life.

Investments

Investments in subsidiary undertakings are initially capitalised at cost.

SHETLAND ARTS DEVELOPMENT AGENCY

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31 March 2017

1. PRINCIPAL ACCOUNTING POLICIES (continued)

Stocks

Stocks are stated at the lower of cost and net realisable value. Net realisable value is based on estimated selling price less any further costs expected to be incurred on disposal.

Debtors

Trade and other debtors that are receivable within one year are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount pre-paid net of any trade discounts.

Cash at bank and in hand

Cash at bank and in hand is held to meet the short-term commitments as they fall due rather than for any investment purposes.

Liabilities

Liabilities arise from legal or constructive obligations that commit the charity to expenditure. A liability and related expenditure is recognised when all of the following criteria are met:

- Obligation – a present legal or constructive obligation exists at the reporting date as a result of a past event;
- Probable – it is more likely than not that a transfer of economic benefits, often cash, will be required in settlement; and
- Measurement – the amount of the obligation can be measured or estimated reliably.

Liabilities that are classified as payable within one year on initial recognition are measured at the undiscounted amount of cash or other consideration expected to be paid. Amounts are included in liabilities when authorised and committed.

Value Added Tax

Irrecoverable value added tax is written off when the expenditure to which it relates is incurred.

Retirement Benefits

Eligible employees of the Shetland Arts Development Agency are members of the Local Government Pension Scheme, a multi-employer defined benefit statutory scheme, administered by Shetland Islands Council in accordance with the Local Government Pension Scheme (Scotland) Regulations 1998 as amended. The contributions to the scheme are charged to the statement of financial activities so as to spread the cost of pensions over the service lives of employees.

Funds

With the adoption of the statement of recommended practice, funds require to be classified between restricted funds which are subject to specific terms as to their use laid down by the donor, and unrestricted funds which can be used at the discretion of the Trustees in the furtherance of the objectives of the Trust.

Restricted Capital Funds are grant funding that has been received in respect of specific capital expenditure. A transfer is made from this fund to show the amortisation of this funding over the useful estimated lifetime of the assets to which the funding applied. This transfer is made to unrestricted reserves as the depreciation of assets is recorded here.

Financial Instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured their settlement value.

17. PENSION SCHEME

Shetland Arts Development Agency provides pension arrangements to eligible employees through a multi-employer defined benefit statutory scheme and the related costs are assessed in accordance with the advice of Hymans Robertson, Independent Qualified Actuaries.

The latest formal valuation of the Fund was at 31 March 2014 and this is updated on a triennial basis. A summary of the membership data used and the benefits valued at the latest formal valuation are set out in the formal valuation report. Hymans Robertson has reviewed the most recent full actuarial valuation at 31st March 2014 and has updated it annually at the charity's balance sheet date to reflect current conditions.

Assumptions as at	2017	2016
Inflation/pension increase rate	2.4%	2.2%
Salary increases	4.4%	4.2%
Discount rate	2.6%	3.5%

The discount rate used to place a value on the liabilities is determined by reference to market yields on high quality corporate bonds at the reporting date. The approach adopted by Hymans Robertson to setting the discount rate involved constructing a corporate bond yield curve based on the constituents of the iBoxx AA corporate bond index.
